**You deserve a great dining experience !** When your server or host asks if you are enjoying your meal, we *REALLY DO* want an honest answer! If there is a problem with your meal, or if you have any issues with your service, do not hesitate to bring it to the attention of the manager. Of course if you **LOVE** everything, we want to hear that too!!

**"Please be patient "** Most of your food is prepared, and cooked to order with the freshest ingredients from scratch.

*April 5, 2017* was officially our 10th year anniversary. The odds of an independent restaurant staying open and still being in business after 3 years is very low, especially during the recession years of 2007, 2008 & 2009. We owe our success to our dedicated and hardworking staff, our delicious and fresh food menu designed by our talented chef, and of course YOU, our loyal customers !

**WE THANK YOU!**
